

MEASUREMENT TIPS

- Select shirt size based on your largest measurement.
- Shirts are semi-fitted, but for a tighter fit order one size down.
- Measurements shown in chart represent body measurements.

Use a fabric measuring tape and measure as follows:

CHEST/BUST: Lift arms slightly and measure around fullest part of chest/bust.

WAIST: Measure around the smallest part of your torso.

HEM: Stand with your heels together and measure around the fullest area of your hip.

LENGTH: Full length of the shirt
