Go to Settings to activate Windows.

- **Team Size Requirement** summarizes how many people in your team. Shaw Teams will need 8 members. Oasis Youth Teams need 14 members.

- **Lock Team** tab (teams whose members are paying for themselves and not on invoiced) and **Lock Team & Request Invoice** tab (for those Shaw teams who are on invoice). Once you meet the minimum requirement, this tab will activate. This should only be pressed when you are fully done with your team registrations and no longer will add anyone. **Once this is locked (and you pay the invoice), your team is completely closed, and we cannot reopen or add anyone to it.**

- **View Team Information** tab is a summary of your info when you filled out the Create a Team form, while the **Edit Team Information** tab allows you to edit some information. For ones you cannot edit, you must contact the office at teams@vancouver.sunrun.com

- **Manage Team Members** tab lists of people registered on the team, shirt size and their 10K estimated finish time (for those registered in Shaw Mini 2.5K, this section will be blank as that race is NOT timed)
