SHIRT SPECS FOR TEAM LOGOS

Please make sure you meet the following art requirements:

- ❑ Save file name as TEAM ID-TEAM NAME, ie: **4534-ABCRun**
- ❑ **Send artwork saved in BLACK font only**. No greyscale or half-tones will be accepted. Coloured submissions will be changed to black at our discretion, if possible, without altering the look of the graphic.
- ❑ Logos must be saved in the following graphic formats: Adobe Illustrator (ai, eps, pdf) Adobe Photoshop (psd, jpg, tif). Vector art from illustration programs is preferred over raster or bitmap files.
- ❑ Graphics MUST be of a high enough resolution (a minimum of 300 dpi at 100% of output size which is a maximum of 10" horizontal x 5" vertical). This especially applies to JPG, tiff, psd and PDF files which have an embedded raster image. Images may be resized to fit our printing needs.
- ❑ We DO NOT offer design services, so please ensure your artwork is clean and complete before submitting
- ❑ All fonts MUST be converted to outlines or curves and all images must be embedded, not just linked to the file. This especially applies to PDF and Illustrator files.
- ❑ DO NOT send graphic files embedded in desktop publishing programs like InDesign or from office formats like Microsoft Word, Excel or PowerPoint.

Important Notes:

Our printer requires a minimum of 10 shirts printed per each EVA BizFam 10K team and a minimum of 14 tech shirts printed per Oasis Youth Team Challenge. If fewer are ordered per required, the team name/logo will NOT be printed or additional printing costs may apply. Any additional costs resulting from orders below the minimum quantity may be passed on to the team.

Please be aware that if you send us a logo BUT have selected the 'BLOCKLETTER' option on your registration, you MUST inform the Sun Run office regarding the change to design to the emailed new logo.

If you cannot meet the artwork criteria your organization's name will automatically be printed in standard, block type style. Best to submit your artwork/logo as soon as possible to avoid issues.

Deadline for all logo/art submissions:

Noon on Friday, February 19, 2027
